

Marine Memorial Club, 609 Sutter Street, San Francisco, CA

Jerry, the story of my help in establishing The Marine Memorial Club, 609 Sutter Street in San Francisco is contained in my book pages 62, 63, and 64. The photos attached assist in telling the story.

The Director Major General Mike Myatt invited me to return to the Club on 12 August 2009 and speak at the celebrate of the Guadalcanal Operation. Major General Tom Wilkerson and I flew to San Francisco and visited the Club so that I could make the speech.
